

Environmental Studies Center Volunteers

I am interested in helping the Environmental Studies Center in the checked activities:

___ **Field Trip Chaperone** (*be on call to help schools that don't have enough chaperones – sometimes on mud walk, sometimes for "dry day"*)

___ **Adopt-a-Trail** (*attend an adopt-a-trail training, choose a trail you, your family, or group would like to keep free of invasive species and trash*)

___ **Museum Volunteer** (*special events – show visitors around the museum – training is provided*)

___ **Gardening** (*maintenance of garden – weeding—training of native and non-native species provided*)

___ **Assisting with Special Events** (*with children activities, manage museum crowds, coordinate activities & programs/speakers, work sign-in and information table, help in store, etc*)

___ **Fund Raising** (*meet with prospective corporate sponsors; speak to community groups, etc*)

___ **Historian** (*organize and maintain photos, documents, etc*)

___ **Clerical** (*handy with computers – update information, print & laminate, maintain data, etc.*)

___ **Decoration Crew** (*help with bulletin boards; decorate for special events and occasions – such as Water Conservation Month, Earth Day, etc*)

___ **Special Groups Guides** (*training provided – assist with group programs*)

All volunteers must register with Seminole County Public Schools.

To register as a Dividend Online go to:

1. <http://www.scps.k12.fl.us>
2. Click on Dividends School Volunteer (left-hand side)
3. Click on Be a Volunteer – Apply Here! (upper, center)
4. Follow instructions
5. Click preview
6. Click on submit

Thank you. You do make a difference!
