*Whole Community!*

## *Be a Friend and Be Active!*

- ☛ Attend meetings.
- ☛ Volunteer your name as an officer.
- ☛ Help with fund raising to provide full programming.
- ☛ Become a Docent/Dividend/Volunteer.
  - Be a Nature Store Volunteer.
  - Be a Museum Docent for Special Events.
  - Learn to become a sub.
  - Help with display animal care.

## *Involve Your Group!*

Your group can accomplish needed projects:

- ☛ Adopt a trail.
- ☛ Fight Invasive Plants.
- ☛ Adopt a section of the Butterfly Garden.
  - Keep plantings current.
  - Weed and tend.
  - Create a plan for the “back” area.
- ☛ Help with boardwalk repairs.
- ☛ Help complete the near boardwalk loop for wheelchairs.
- ☛ Help plan/assist at special events and workshops.

*...and more!*

*We're planning activities for folks of all ages.*

- Open House Saturdays
- Environmental Activities
- Earth Day Celebration
- Grandparents' Day
- Interpretive Hikes
- Air Potato Raid
- Nature Crafts
- More

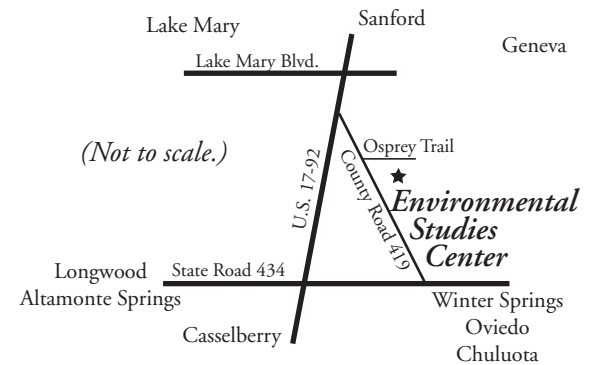

Located in Soldiers Creek Park, within Spring Hammock Nature Preserve, the Center is a joint effort of the Seminole County Public Schools and the Seminole County Board of County Commissioners.

Trails and boardwalks wind through five natural habitats to a spectacular view of Lake Jesup. The Park is open daily to the public from sunrise to sunset.

The Center Building, a school facility, is open during school hours for students in first and fifth grades to participate in exciting environmental programs. A highlight of each student's visit is the Natural History Museum. Here, students get to see a live baby alligator, hold a real snake, watch turtles, observe a bee hive, and interact with a variety of natural objects.

The Friends of the Environmental Studies Center was formed to support current programs, expand and enhance facilities, and provide planned activities for the public in this beautiful park, while building environmental awareness in the community.

*Help the Center Programs.  
 Share in the excitement.  
 Become a Friend today!*
